## **A RESOURCE OF DOCUMENTS, MAPS AND IMAGES OF THE TOWN**

**Six hundred years of history held at the  
Hadleigh Guildhall complex.**

Two volunteer groups undertake work at the Hadleigh Archive. One cataloguing and digitising documents and images, while a second group translate Latin, and transcribe early English ancient records and documents of the town, whose folders are shown in the background.

**Organised, conserved, transcribed and catalogued  
by a small team of volunteers, under the  
administration of the Hadleigh Town Council.**
